	22m.
Provide a brief biography of the nominated individual/organisation	<p>Rina Patel's journey into interior architecture and design was not a mere career choice but a natural progression from her upbringing steeped in construction and design. Growing up above her family's business, Patel Central Heating, Later known as Ramki Heating, she was immersed in an environment filled with building materials, tradesmen, and the hum of activity. Her father and Kaka, skilled heating engineers, Carried out the installations, whilst her Mother and Kaki managed the plumbing merchants, whilst raising the children. Her childhood, served as my source of inspiration and exemplified my work ethic. From a young age, Rina exhibited leadership qualities and a passion for making things. This passion extended from school workshops to construction sites, where she thrived working alongside teams with diverse skill sets. Her hands-on experience has enriched her understanding of the industry. Rina approaches each project with the same dedication and care she would apply to her own home, viewing clients as extended family members. For her, the journey of the project holds as much significance as the end results, embodying her genuine love for the craft. Rina's upbringing, passion, and dedication have shaped her into an exceptional interior designer, committed to creating spaces that reflect both functionality and aesthetic brilliance.</p>
