Please outline why the nominated individual/organisation should be considered for the award	<p>Active Mortgages stands out as a leading brokerage in the UK, consistently delivering exceptional mortgage solutions for self-employed professionals, business owners, and high-net-worth individuals. With a client-centric approach, the firm simplifies complex mortgage processes, ensuring clients secure the best possible lending solutions tailored to their unique circumstances. Since its inception, Active Mortgages has facilitated over £20 million in revenue and helped thousands of clients achieve homeownership, refinance their properties, and expand their investment portfolios. The brokerage is built on a foundation of trust, efficiency, and expertise, making it a go-to provider for clients who require bespoke mortgage solutions. What sets Active Mortgages apart is its ability to streamline the mortgage process through automation and innovation, leveraging CRM systems and AI-driven solutions to enhance customer experience. The firm also prioritises education and empowerment, providing clients with guidance through every stage of their mortgage journey. Furthermore, Active Mortgages has played a pivotal role in advocating for self-employed mortgage applicants, educating lenders and policymakers on the unique challenges faced by entrepreneurs in securing loans. This dedication to market improvement demonstrates the brokerage's commitment to progressing the industry while delivering outstanding client results.</p>

Provide a brief biography of the nominated individual/organisation	Founded in 2006 by Gary Das, Active Mortgages was built with a mission to simplify the mortgage process for self-employed individuals and business owners. Frustrated by traditional mortgage lenders' rigid criteria, Gary sought to create a brokerage that understands entrepreneurs' financial complexities and provides tailored solutions. Through strategic education, content creation, and a proactive approach, Active Mortgages has grown into a leading brokerage that helps clients secure funding where others have struggled. The firm's approach combines deep market expertise, cutting-edge automation, and a client-first mentality, ensuring a smooth and efficient mortgage journey. Today, Active Mortgages is known for: Helping self-employed individuals access mortgage solutions that match their financial circumstances. Building long-term relationships with clients, providing guidance beyond just a single mortgage transaction. Pioneering innovation in mortgage applications, using automated systems and AI to enhance speed and accuracy. The firm's client-first, technology-driven approach has made it one of the UK's most trusted mortgage brokers, delivering exceptional service while shaping the future of mortgage brokerage.
